

Steps to subscribe to SUTD lecture timetable with google calendar (Tutorial Not Included, unless someone v kind to upload that)

1. Go to <https://open.sutd.dev/sutd-timetable/#/main>

2. Choose the subjects you want

3. Go to Google Calendar

4. Paste the subscription url from step 2 to Url of calendar

The screenshot shows the Google Calendar settings page for a calendar named "02.001 World Text and Interpretation". The left sidebar lists various calendar categories: Contacts, Compulsory, Fifth Rows, Lecture, Others, Tutorials, and UROP. The "Settings for other calendars" section is expanded, showing the selected calendar. The main content area displays the following settings:

- Calendar settings:**
 - Name: 02.001 World Text and Interpretation
 - Description: Schedule (2019-1)
 - Time zone: (GMT+08:00) Singapore Standard Time
 - URL: https://us-central1-sudo-timetable.cloudfunctions.net/calendar?t=2019-1&s=1024
- Permission settings:**
 - Anyone can: See all event details
 - You can: See all event details
- Event notifications:**
 - + Add notification
- All-day event notifications:**
 - + Add notification

5. Click at the calendar newly created and edit the name

The screenshot shows the Google Calendar interface with a monthly view for June 2019. The left sidebar includes a "Create" button, a "Search for people" field, and a list of "My calendars" with checkboxes for various categories: Hui Xiang Tong, Compulsory, Contacts, Fifth Rows, Lecture, Others, Reminders, Tasks, Tutorials, and UROP. The main calendar grid displays events for each day of the month. For example, on June 2nd, there are events for "9am Chem and Bio Tutorial", "11:30am Maths Lecture", and "11:30am 10.001 - Advanced Math I". On June 5th, there is a "Hard Rays Photo" event. The interface also includes a "Today" button, navigation arrows, and a "Month" view selector.

6. Viola! The calendar is yours!
